Why the Different
"Titles"?

Information Center Opened January 27, 2015

The Bright Oaks of Aurora Information Center opened January 27th to great fanfare. The first Bright Oaks Group community that is scheduled to open in early fall had over 80 people in attendance, investors in the project, Bright Oaks employees, and the mayor of Aurora in attendance.

Located at 161 South Lincolnway, the Information Center is located in

Suite 302. The building is across from Evergreen College campus, and also houses the VA Clinic on the first level.

Featuring the overall community plans, floor plans, and renderings of the inside of the building, making a visit will help those interested in learning more about how Bright Oaks is DIFFERENT visualize what their new home would look like.

Call today to learn more, or email Denise True, our Family Advocate, at dtrue@brightoaksofaurora.com or (630) 892-8800.

American Red Cross Blood Drive a Success!

On Wednesday, June 17th, Bright Oaks of Aurora sponsored an American Red Cross Blood

Drive. While the torrential rain discouraged some donors, we collected 17 pints of blood. Did you know that each pint impacts 3 lives? In the 5 hours of the drive, we made a difference in 51 people's lives. Have you donated lately? Watch future The Bright Life editions for the next drive sponsored by Bright Oaks of Aurora!

Construction Update!

Activity is buzzing at the community site with painters and others putting in the final touches as we await the delivery of cabinetry and other interior finishings. We already have several deposits, and are excited to begin growing our Bright Oaks Family.

So what will you see over the next few weeks? Work will continue on the porte cochere, and landscaping will be installed. Once we receive our temporary certificate of occupancy, the decorators will move in with furnishings, and set up the community, and the models will be installed. The Information Center and leadership will move into their new offices, tours will begin, and we will host events in our new home. We would like to introduce you to

our Family Advocate in this issue of The Bright View. We will introduce Brian, Shirley and other team members in future editions.

Denise True, Family Advocate: As Bright Oaks Group's first Family Advocate, Denise came to us in Dec. of 2014 with a strong Sales and Marketing background. With a passion for working with the senior population, she finds it very rewarding to help the families and their loved ones make positive changes in their lives. Born and raised in IL, she has two children. Her daughter is a sophomore in high school, and her son is a sophomore in college. Since becoming an "Extended Family Member", her enthusiasm, drive and determination to spread the good word about Bright Oaks of Aurora has played a large role in promoting the culture at Bright Oaks and has far exceeded our expectations. Denise looks forward to speaking with interested seniors and their families, and helping them make Bright Oaks their new home.

Why the Different "Titles"??

Bright Oaks is DIFFERENT. Why? We say "Life Happens Here", and we mean it. We call our residents "Family Members", and our staff "Extended Family Members". We want our Family Members to live a purposeful, engaging, and active life to the best of their abilities, and to contribute to the life of their community. Called Assisted Independence, Bright Oaks is what Assisted Living and Memory Care SHOULD BE. Call today to find out why YOU should join our family at (630) 892-8800.
