

A HOMELIKE SETTING FOR EVERYONE WHO STEPS THROUGH OUR DOOR. AS

THE SIGN SAYS...LIFE HAPPENS HERE!

Our newly developed Assisted Living/Memory Care community is looking for a hair stylist/salon manager to welcome new family members to our current family. We are looking for someone who is compassionate and hardworking to take lead in our fully functioning salon that is not only open to our resident family members, but also open to the public. Our mission entails working together to create a true home for our resident family members as well as our staff who we refer to as our extended family. As part of our family, we don't just ask you to have a "passion for seniors" -we expect you to live it and apply it to every interaction. We have a very soft spot for taking care of those who took care of us growing up. Help us to deliver the message! Help us to open the doors to our home....
